Chair Duhon announced that the Finance and Budget Committee met prior to the Board of the Directors meeting under the leadership of the Board Vice Chair, Liberty County Judge Jay Knight. He recognized Judge Knight, who reported that the committee met to consider several items on the agenda.

Judge Knight recognized Jean Mahood, H-GAC Director of Finance, to present the financial status report for July. Ms. Mahood requested approval of the monthly financial report ending July 31, 2023.

Ms. Mahood asked if there were any questions regarding the July financial report. There being none, City of Sugar Land Mayor Joe Zimmerman moved to approve and City of Baytown Council Member Laura Alvarado seconded the motion. Judge Knight called for the vote, which resulted in unanimous approval by all members present.

#### b. 2023 Mid-Year Budget Revision

Judge Knight recognized Chuck Wemple, H-GAC Executive Director, to present the proposed 2023 revised budget. Mr. Wemple explained that the mid-year revision reflects the variance from the original anticipated budget versus the actual budget at the mid-point in the year. Mr. Wemple announced that the current total unified budget is up by 0.37% to \$493,274,892. Montgomery County Judge Mark Keough asked a question regarding the downward variances for the Transportation Planning department. Mr. Wemple clarified that both gains and losses are reflected in the report, as well as the reasoning for some of the variances –

such as delays in projects. Ms. Mahood discussed the overall fund balance, overall revenues and expenses, along with other various details. Ms. Mahood requested adoption of the proposed 2023 revised budget. Mayor Zimmerman also asked a question regarding the transportation variances.

Judge Knight asked if there were any more questions. There being none, Councilmember Branson moved to approve and City of Missouri City Council Member Jeffrey Boney seconded the motion. Chair Duhon called for the vote, which resulted in unanimous approval by all members present.

#### c. Benefits Insurance Coverage Renewal 2023-2024 Plan Year

Judge Knight recognized Laura Tomlinson, H-GAC Human Resources Manager, to present the benefits insurance coverage renewal for 2023-2024. Ms. Tomlinson requested approval for the Executive Director to negotiate contracts for benefits coverage, and to extend other coverages as proposed with no changes to vision or life and disability coverage.

Judge Knight asked if there were any questions. There being none, Mayor Zimmerman moved to approve and Mayor Pro Tem Simpson seconded the motion. Chair Duhon called for the vote, which resulted in unanimous approval by all members present.

#### 7. HUMAN SERVICES

#### a. Area Agency on Aging Contract Recommendations

Chair Duhon called on H-GAC Senior Manager of Human Services, Curtis Cooper, requested authorization to fund fiscal year 2023 contracts for Ibn Sina Foundation and Fort Bend Habitat for Humanity \$40,000 and \$50,000 respectively; and to contract fiscal year 2024 in an amount of \$9,207,540.

#### **INFORMATION**

#### 9. **REPORTS**

#### a. Chief Operating Officer's Report

Chair Duhon called on Onyinye Akujuo, H-GAC Chief Operating Officer, for this report. Chief Operating Officer Onyinye Akujuo to provide an update on current and upcoming activities regarding agency operations, including regional tech hubs. For information only – no action requested.

#### b. Legislative Update

Chair Duhon called on Mr. Guerrero for this report. Mr. Guerrero deferred to Mayor Zimmerman, the chairman of the Legislative Committee. Mayor Zimmerman thanked the City of Houston and City of San Antonio and said that all of the cities owe these two cities a debt of gratitude for filing suit regarding House Bill 2127 on behalf of all cities. Council Member Jeffrey Boney also mentioned House Bill 3613 which impacts municipalities with districts or wards. Mr. Guerrero provided an update on important current and upcoming legislative activities. He stated that approximately 8,000 bills were filed during the session; 1,246 were approved; and 774 take effect on September 1, 2023. For information only – no action requested.

#### c. 2023 Mid-Year Report

Chair Duhon called on Mr. Guerrero for this report. Mr. Guerrero stated that this report provides a status update on agency productivity and performance for the first half of the year. For information only – no action requested.

#### d. H-GAC Spotlight – Regional Transit Coordination

Chair Duhon called on Jamila Owens, H-GAC Program Manager in the Transportation Planning department. Ms. Owens stated that the Regional Transit Coordination Subcommittee focuses on guiding our transit coordination work. This body serves at the request of our Transportation Advisory Committee, that advises our Transportation Policy Council, the governing body for H-GAC in its role as the Metropolitan Planning Organization for this 8-county region. However, in transit coordination, our work is unique among other transportation efforts in that we receive federal funding to support for Coordinated Planning to serve the full 13-county area supported by this Council of Governments. For more information, please contact Jamila.Owens@h-gac.com.

#### e. Current and Upcoming H-GAC Activities

Mr. Wemple announced several current and upcoming activities for the agency. Mr. Wemple that a County Pop-Up event was recently held in Montgomery County, hosted by Mayor Keough. Mr. Wemple also mentioned the Tech Hubs and thanked Ms. Akujuo for her leadership in this new initiative. He expressed the importance of being unified in our application process and also thanked Walker County Commissioner Brandon Decker for his support. Mr. Wemple recognized the current group of agency interns, led by H-GAC Human Resources Recruiter Karla Lopez. The search for our next Chief Financial Officer is underway. Lastly, Mr. Wemple that transportation planning is currently working on the long-range plan, which goes through 2045. Part of the long-range plan includes certifying the air quality conditions in our region and this process is taking longer than anticipated, which has resulted in some of our projects being

# ASANA PROJECT MANAGEMENT SOLUTION RENEWAL

#### Background

H-GAC adopted Asana as the agency project management solution in 2023. This solution allows for better visibility, transparency, and accountability into the projects and services we provide to the region while also streamlining our reporting processes and metrics generation.

#### **Current Situation**

Request the allocation of a total of 325 Asana licenses, composed of our existing 300 licenses along with 25 additional licenses. This augmentation in our licensing capacity is directly aligned with the recent expansion of our staff numbers. With more individuals joining our ranks, there has been a corresponding increase in the utilization of Asana as our preferred project management tool.

#### **Funding Source**

#### Budgeted

Yes

#### **Action Requested**

Request approval to purchase 325 Asana project management licenses on an annual basis through state or federal contracts in the amount of \$99,320. (Staff Contact: Tanya Nguyen)

#### **MICROSOFT OFFICE 365 SUBSCRIPTION RENEWAL – WORKFORCE SYSTEM**

#### Background

The Houston-Galveston Area Council provides Workforce Solutions staff and their contractors with access to the Microsoft Office 365 software suite, including email, SharePoint, OneDrive, Teams, and Office software. The last renewal was approved by the Board of Directors on November 17th, 2020.

#### **Current Situation**

The current subscription for Workforce Solutions is at the end of the three-year agreement with Microsoft and will require a new subscription to continue operation. Staff recommends renewing the subscription for a total of 1,130 users for three years at a cost of \$851,155. The subscription licenses will be purchased through the State of Texas government contract.

#### **Funding Source**

#### WORKFORCE SYSTEM CONTRACT

#### Background

Since 2013, Ingenuix Corporation has been the software vendor creating and managing content for the Workforce Solutions website.

#### **Current Situation**

Ingenuix continues to operate and manage the Workforce Solutions website. The software is cloudbased and allows staff to create and manage specific areas of the site. For 2024, Ingenuix will continue to work with staff to modify and update the Workforce Solutions website content and the online financial aid application system for scholarships as needed. Additional programming is offered at a discounted rate using Ingenuix's 360 program. The work includes programming for the online application, new page types, components, overlay, navigation updates, imaging resizing documents, and data transfers.

# CRIMINAL JUSTICE AND HOMELAND SECURITY PLANNING SERVICES – FISCAL YEAR 2024 INTERLOCAL AGREEMENT

#### Background

The Office of the Governor contracts with H-GAC each year to perform critical activities related to criminal justice and homeland security funding. Through this interlocal agreement, Public Safety staff provides technical assistance to criminal justice and homeland security grant applicants, manages the oversight of the advisory committees evaluating grant proposals, and facilitates fair and equitable grant evaluation processes.

#### **Current Situation**

The previous interlocal agreement with the Office of the Governor expires on August 31, 2024. The newly executed interlocal agreement will cover services from September 1, 2024 – August 31, 2025. The Office of the Governor provided a narrow window to accept and sign the new interlocal agreement requiring staff to seek ratification.

# **GREENS BAYOU WATERSHED PROTECTION PLAN**

#### Background

The Greens Bayou watershed has been identified through H-GAC's water quality monitoring and planning efforts as a priority area for water quality protection and improvement. H-GAC has secured funding from the Texas Commission on Environmental Quality, with support from member governments, to work with local stakeholders in completing a watershed protection plan for this area. The plan will focus on voluntary measures that can be taken to reduce water pollution, based on input from local stakeholders and the public.

#### **Current Situation**

The four-year grant award would fund the development of a watershed protection plan. Project elements will include:

- Compiling and evaluating water quality data and trends. Identifying sources of pollution.
- Working with local stakeholders to recommend voluntary strategies to reduce pollution in the watershed.
- Engaging with project partners and the public throughout the development of the plan.
- Coordinating with other local efforts.

The project is expected to begin in the fall of 2023 and end in August 2027.

# **CEMETERY ROAD CORRIDOR STUDY**

#### Background

Houston-Galveston Area Council (H-GAC) has established a partnership with Galveston County, Texas to conduct the Cemetery Road Corridor Study. The road is located in Galveston County, Texas just west of IH-45S, between FM 517 and SH 6. The 2-lane asphalt road is approximately 3.8 miles and is located within the jurisdictions of Santa Fe, Dickinson and unincorporated Galveston County which makes it difficult to address long-term planning, construction, and maintenance efforts. The goal of this planning study is to analyze the corridor, identify short- and long-term needs, and develop actionable solutions to improve multimodal mobility in this corridor that reflect the local and regional needs of the community. This 12-month study shall conclude with a prioritized list of recommended improvements and implementation workbook for each jurisdiction.

In March 2022, the H-GAC Board of Directors approved a Resolution to enter into a Local Project Advance Funding Agreement for Southeast Regional Planning Projects, which includes the Cemetery Road Corridor Study (Solicitation Number: TRN23-07).

#### **Current Situation**

H-GAC issued a Request for Proposals in July 2023. In response to this request, H-GAC received three proposals.

The Proposal Review Committee recommends the following consultants conduct the Cemetery Road Corridor Study in the order presented below:

- 1. Halff Associates, Inc.
- 2. The Goodman Corporation
- 3. TJKM Transportation Consultants

#### **Funding Source**

#### **US 90A TRANSIT CORRIDOR STUDY**

#### Background

The Houston-Galveston Area Council has established a partnership with the Gulf Coast Rail District to conduct a study of and develop feasible and reasonable transit alternatives for the US 90A corridor.

The US 90A highway corridor runs through some of Fort Bend County's most significant urban developments, including the cities of Missouri City, Richmond, Rosenberg, Stafford, and Sugarland, as well as communities in Southwest Houston. At the corridor's eastern end is the Texas Medical Center, a major employment center that is the destination for many Fort Bend County commuters. This corridor has been extensively studied as a potential high-capacity transit corridor by multiple agencies, with a focus on commuter rail. This study will assess the technological and economic feasibility of establishing and operating efficient transit service along this corridor, with the understanding that recent legislation allows the Gulf Coast Rail District to consider technologies other than commuter rail.

#### **Current Situation**

H-GAC issued a Request for Proposals on May 9, 2023. In response to this request H-GAC received two proposals.

The Proposal Review Committee recommends the following consultants conduct the US 90A Corridor Transit Study in the order presented below:

- 1. HDR, Inc.
- 2. Huitt-Zollars, Inc.

This study is included in the Unified Planning Work Program adopted by the H-GAC Transportation Policy Council.

# REGIONAL INTELLIGENT TRANSPORTATION SYSTEM ARCHITECTURE AND WEBSITE UPDATE

#### Background

The Transportation Department is seeking hire a qualified contractor to provide services that will update the Regional Intelligent Transportation System architecture and website. The project will also update the fiber, traffic signals and inventory along with developing an inventory software analysis tool that will assist in transportation project prioritization, benefit cost analysis, and economic impact analysis. The Regional Intelligent Transportation System architecture was last updated in 2018 and needs to be updated to meet current Federal Highway Administration requirements. (Solicitation Number TRN23-02)

#### Variances:

\* This month we are presenting a slightly different variance analysis format. The new analysis compares actual year-to-date expenses against the past five-year average percentage to date, which will more closely track actual revenue and expense throughout the year.

a) Compare to the five year average, interest income continues to do well due to the increase rate this year.

b) State revenues and pass-through expenses are still behind. It is mainly in workforce program area. We anticipate they will pickup in the fourth quarter.

c) Travel expenses continues to pick up. We aniticiapte it will reach the projection level this year.

# SAFE STREETS AND ROADS FOR ALL ACTION PLAN GRANT PROGRAM

#### Background

Improving transportation safety throughout our region is a priority for the Houston-Galveston Area Council. Our region suffered 3,140 crash fatalities from 2016-2021, resulting in an annual fatality rate of 9.2 roadway fatalities per 100,000 residents. The Metropolitan Planning Organization is committed to develop programs and projects to address our transportation safety crisis, as evidenced by the Transportation Policy Council's resolution supporting the elimination of regional traffic fatalities by 2050. Our 2045 Regional Transportation Plan focuses significant resources towards improving transportation safety. In an effort to advance this goal, the Metropolitan Planning Organization sought grant funding though the Safe Streets and Roads for All (SS4A) discretionary grant program to develop a Safety Action Plan for the region, as well as focused Safety Action Plans for Joint Applicants: Conroe, Friendswood, Galveston, Gulf Coast Rail District, La Marque, League City, Missouri City, Pearland, Sugar Land, Waller County, and the Metropolitan Transit Authority of Harris County (METRO).

#### **Current Situation**

The Houston-Galveston Area Council was awarded an Action Plan grant from the Safe Streets and Roads for All discretionary grant program in the amount of \$4,000,000. Funding from the grant will be used to develop Safety Action Plans for the Joint Applicant entities as well as a region-wide Safety Action Plan for the Metropolitan Planning Organization's 8-county region.

#### **Funding Source**

Federal: \$4,000,000 Local: \$1,000,000

#### Budgeted

Yes

#### **Action Requested**

Request resolution and authorization to enter into an agreement between the United States Department of Transportation, Federal Highway Administration, and H-GAC to conduct activities necessary to complete Action Plans that meet the requirements of the Safe Streets and Roads for All Action Plan Grant Program in the amount of \$4,000,000. # **CLIMATE POLLUTION REDUCTION GRANT – FUNDING AGREEMENT**

#### Background

The 2022 Inflation Reduction Act provided \$5 billion to support efforts by states and governmental entities to develop and implement greenhouse gas reduction strategies. On March 1, 2023, the Environmental Protection Agency released the Climate Pollution Reduction Grants Program. The primary goal of the program is to reduce greenhouse gas emissions while supporting the creation of jobs, delivering cleaner air, and lowering energy costs for families.

The first phase of this grant program is providing \$250 million in non-competitive grants to states and the 60 largest large metropolitan regions to develop climate action plans. The nine-county Houston-The Woodlands-Sugarland Metropolitan Statistical Area received a \$1 million planning grant to support this first phase. The second phase, scheduled for fall 2024, will award \$4.6 billion in competitive implementation grant to support the policies, programs, and projects that are included in the phase one plan.

#### **Current Situation**

The Environmental Protection Agency has approved H-GAC's non-competitive federal Climate Pollution Reduction Grants Program request. This grant will support development of a climate action plan, which will identify options for reducing regional greenhouse gas emissions and other harmful air pollutants, the creation of jobs, identifying economic development opportunities, and establish eligibility to compete for the \$4.6 billion available for implementation grants. The Climate Pollution Reduction Grants Program allows flexibility to tailor voluntary reductions strategies that work for individual stakeholders and the overall region. The resulting plan will also address associated criteria pollutants such as ozone, particulate matter, and toxic air pollution to amplify existing regional planning efforts and move the region towards meeting its air quality improvement goals.

The grant amount is \$1,000,000. No local matching funds are required.

#### **Funding Source**

#### Budgeted

No

#### **Action Requested**

Request authorization to enter into an agreement with the United States Environmental Protection Agency for Climate Pollution Reduction Grant program activities in the amount of \$1,000,000. (Staff Contact: Craig Raborn)

This grant will support development of a climate action plan, which will identify options for reducing regional greenhouse gas emissions and other harmful air pollutants, the creation of jobs, identifying economic development opportunities, and establish eligibility to compete for the \$4.6 billion available for implementation grants. Staff is proposing to partner with Fort Bend County, Harris County, and City of Houston to build on existing related efforts, as well as Houston Advance Research Center for technical assistance. H-GAC will actively engage stakeholders in adjacent counties and municipalities to ensure full opportunities to participate in the planning process, develop strategies appropriate to them, and meet all the requirements of the grant program.
